Thanksgiving-Christmas Dinner Donation Program Gets National Grant

Powell, Ohio – The Powell-Downtown Columbus Sertoma Club is proud to announce it is a recipient of a 2021 Sertoma Club Grant, marking the club's continued commitment to volunteer service, charitable support and community leadership in Delaware County. Funds from the grant benefited families in need through the Club's Holiday Dinner Project.

According to Larry Coolidge, club president, 70 precooked holiday dinners went to deserving families for Thanksgiving. At Christmas, volunteers delivered 90 dinners thanks to the \$2000.00 grant. For the past 17 years, over 2,000 families have received a complete Holiday meal, enough food to feed over 12,000 people.

Powell-Downtown Columbus Sertoma Club is part of the national Sertoma, Inc. family of local civic service clubs. A thriving nonprofit service organization that has been in existence for over a century, Sertoma is dedicated to improving the quality of life for those at risk or impacted by hearing loss through education and support.

"Sertomans throughout the United States and Canada are dedicated to creating communities that serve the needs of many," said Amy Ellington, Sertoma Interim Executive Director. "We created this grant program to help members like Powell-Downtown Columbus Sertoma Club support community charitable programs and organizations."
